

THE TIPI

SPRING POW WOW 2025

Welcome to our Lodge's first event of 2025, the Spring Pow Wow! If you were inducted last year or in previous years and are still an Ordeal member, you are now eligible to take the next step in your Order of the Arrow journey—becoming a Brotherhood member!

SONG OF THE MONTH

Earning Brotherhood represents a deeper commitment to the principles of cheerful service. To achieve Brotherhood, you will participate in service projects and reflect on the service you've given by writing a letter to our Lodge, to prove you are ready to take on the Brotherhood name.

Afterward, you will walk the Brotherhood Trail, where you'll be asked thought-provoking questions to help you understand the true meaning of the Order of the Arrow and what it represents to you personally.

After successfully completing the Brotherhood Trail, you will be honored with your Brotherhood sash in a special ceremony that recognizes your commitment and sets you apart as a valued member of the Order.

POW WOW

A Powwow is a cultural gathering where individuals come together to celebrate and honor Native American traditions, including dance and customs. The Occenechee Lodge represents the Ocaneechi Band of the Saponi Nation, and we are honored to carry on their rich heritage. We will be having a Powwow this Saturday. Come watch and learn about the traditions of the dance and discover the significance of being a dancer in the Order of the Arrow.
